

# How can someone try to keep safe if...

There is a wasp in the classroom?

There is a fire at home?

Their friends are setting off fireworks?

They have to cross a busy road?

They are home alone a stranger knocks at the door?

They hear two family members shouting at each other?

They are being bullied?

Someone they met online wants to meet up with them?

There are two people fighting?

They find a stray dog?
